IT STARTS WITH A WOMAN
The Junior League of Jacksonville (JLJ) was founded in 1923 and is an organization of women committed to promoting voluntarism, developing the potential of women, and improving communities through the effective action and leadership of trained volunteers. Our purpose is exclusively educational and charitable. For the past 98 years, the Junior League of Jacksonville has been a force of change in our local community, as a result of the tireless and innovative work of our trained members.

Throughout our history, the Junior League has strategically focused our volunteer efforts to address unmet needs in the community and create sustainable programming for significant change and impact. Among many other endeavors, we founded the Jacksonville Speech & Hearing Center and Family Nurturing Center and were instrumental in the founding of the Children’s Museum (now MOSH) and Hubbard House. True to our legacy, today’s diverse League members provide over 10,000 volunteer hours in the Jacksonville community on an annual basis, and our current community focus is on providing access to nutrition education and affordable healthy foods. From December 2020 to June 2021, we were able to provide 2,128 meals to local families in need through our Fresh Minds Meal Prep Kit program. We have a goal of providing 5,040 meals in the 2021-2022 League year.

Our commitment has remained unwavering: develop exceptional civic leaders who can identify the community’s most urgent needs and address them with meaningful and relevant programs. We accomplish this by providing leadership opportunities within our organization and by offering experiences designed to advance our members’ personal, professional, and leadership potential. Not only do we provide instructional and motivational sessions during our meetings, but our members are presented with learning opportunities through collaborations with other likeminded organizations in our community and participation in national and local conferences and leadership workshops.

JLJ seeks sponsors to assist us in furthering our vision of creating significant and lasting change. We greatly appreciate your contribution to our efforts as we strive to positively impact the lives of children and families in the greater Jacksonville area and to improve the community in which we live through the work of trained volunteers and leaders.

The Junior League of Jacksonville is qualified as a 501(c)(3) organization, and your contributions are 100% tax deductible. For more information about our programs and community impact, please visit www.jljacksonville.org.

Thank you for your consideration of financial support of the Junior League of Jacksonville. We look forward to continuing to serve our community alongside you and cannot wait for the exciting things this year will bring!

Regards,

Lori Bayler
President, 2021-2022
