IT STARTS WITH A WOMAN
Dear Sponsorship Partner,

The Junior League of Jacksonville has been a force for change in our local community since 1923. Over the past ninety-six years, we have strategically focused our volunteer efforts to address unmet needs in the community and to create sustainable programming for significant change and impact. Among many other endeavors, we founded the Jacksonville Speech & Hearing Center and the Family Nurturing Center, and we were instrumental in the founding of the Children's Museum (now MOSH) and the Hubbard House. True to their legacy, today’s League members provide over 10,000 volunteer hours in the Jacksonville community annually, and our current community focus is providing access to nutrition education and affordable healthy foods.

As part of our Mission, the Junior League trains our members to be active volunteers and innovative leaders in the community. We accomplish this by providing leadership opportunities within our organization and by offering experiences designed to help our members grow their personal, professional, and leadership potential. Not only do we provide instructional and motivational sessions during our meetings, our members are also presented with new learning opportunities through collaborations with other likeminded organizations in our community and through participation in leadership workshops and at national and local conferences.

Our commitment has remained unwavering: to develop exceptional civic leaders who can identify a community’s most urgent needs and address them with meaningful and relevant programs. The Junior League looks to our sponsors to assist us in furthering our vision of creating significant and lasting change. We greatly appreciate your contribution to our efforts as we strive to positively impact the lives of children and families in the greater Jacksonville area and to improve the community in which we live through the work of trained volunteers and leaders.

The Junior League is qualified as a 501(c)(3) organization, and your contributions are 100% tax deductible. For more information about our programs and community impact, please visit www.jljax.org.

Thank you for your financial support of the Junior League of Jacksonville. We look forward to continuing to serve our community with your assistance and cannot wait for the exciting things this year will bring!

Sincerely,

Katie Thompson Neilson
2019-2020 President
THE LEGACY CONTINUES

**Fresh Minds:** A program where volunteers support and host events promoting the availability of healthy food, nutrition education, and health and wellness to local low-income schools and communities.

**Kids in the Kitchen:** A program of The Association for Junior Leagues International® that focuses on reversing the national crisis of childhood obesity by bringing fun, interactive curriculum about nutrition and healthy habits directly to public schools and after school programs in the most affected areas of our community.

**Done In A Day:** A program that provides trained Junior League of Jacksonville volunteers to support the needs of community based, non-profit organizations in Northeast Florida.
**SPONSORSHIP**

A League Sponsor will enjoy exposure and association with the Junior League of Jacksonville during our largest event, Whale of a Sale, and multiple opportunities to reach our approximately 800 members. Custom sponsorship levels are also available for any sponsor who wants to support the multiple leadership trainings and social events held for our members each year. Opportunities for exclusive rights on sponsorship levels are available as well. We aim to make your sponsorship experience as meaningful and beneficial to you as possible.
